

**CITY OF PORTLAND**

**Department of Public Works Christopher C.  
Branch, P.E., Director**

**Preble St Sewer Separation Project Update**

Starting on at 9 PM on Friday April 5<sup>th</sup> until 9 PM Sunday April 7<sup>th</sup>, Preble Street between Marginal Way and Baxter Blvd. will be closed in both directions for installation of sewer and storm pipes in the intersection.

Traffic will be able to travel on Marginal Way both directions.

For those using Preble St to go into the midtown area, please use Marginal Way to get to Preble Street

For those leaving midtown area via Elm Street, please use Marginal Way to Forest Avenue to bypass the construction zone

If you have questions, please contact the project engineer, Gerry Remsen, at 207-874-8838
