In order to staff Staff will ONLY assist skaters who are unable to rise unassisted due to a fall/injury. For this reason, skaters must have on-ice skating experience or be accompanied with someone who does.
- 3 Please arrive at the rink no more than 10 minutes before your scheduled session. This allows staff to keep groups separate from each other for the purposes of contact tracing.

When waiting in line outside or standing by your vehicle in the parking lot, you must wear your face covering and observe the 6 foot rule.
